Plastics

RINSE all containers - they must be clean to be accepted. Look at the bottom of the container for one of symbols at left -- these are the plastics we accept for recycling.

We do not accept bulk packaging plastic, plastic bread bags and plastic bags, such as what is pictured here.

We Participate in the Gimme #5! Recycling Program

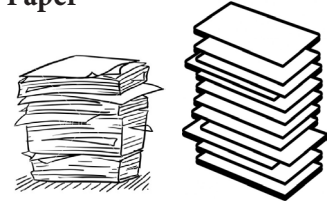

Please clean, remove labels and bag them separately. We'll do the rest.

The list of acceptable items are dairy and dip containers, plastic caps and prescription bottles

Mixed Office Paper

Includes business paper, notebook paper, colored paper, envelopes and junk mail.

Corrugated Cardboard

Must have wavy corrugation in the middle. No wax coated boxes accepted. Remove all packaging materials.

Box/Fiberboard and Brown Paper

Various boxes, such as: cracker, pasta, tissue, pop and frozen food.

Metal Cans & Aluminum

Steel, tin, aluminum, bi-metal cans and aluminum foil is accepted. Please rinse, flatten and take labels off.

Phone Books/Glossy Magazines

Styrofoam

Egg cartons, packaging, cups and to-go containers. Containers must be **CLEAN AND DRY. Packing peanuts must be bagged separately.**

Newspaper

Newspaper and ads are accepted. Please bag or bring in loose. **Please - no tied-up bundles.**

Latex Paint - May to September ONLY

Latex paint must be in liquid form -- not dried or with cat litter in it as the paint is recycled.

Electronics

Cell phones, computers, keyboards, mice, printers, radios, speakers, televisions, monitors and more. There is a charge for some items.
